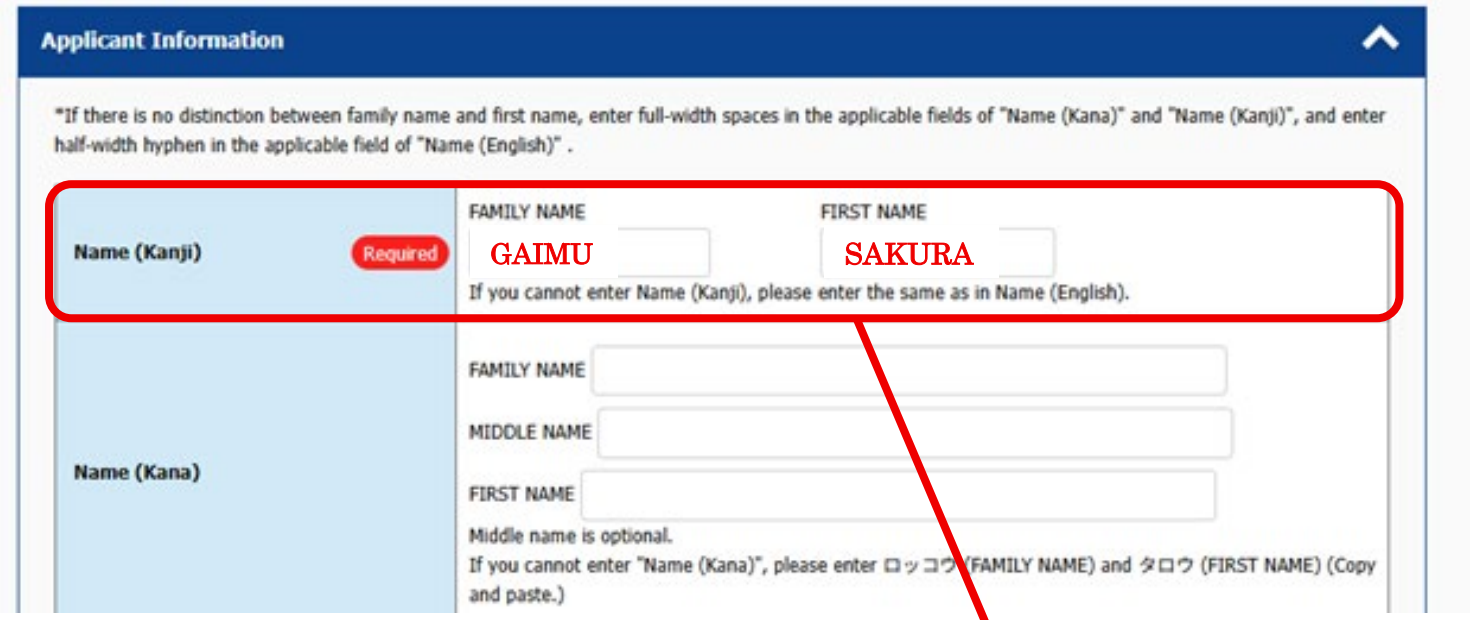
Regarding the Name on the Application Form (For International Students)

Please enter your name in the name field of the application form exactly as it appears in the machine-readable code at the bottom of your passport.

(Example)



(Relevant section)

If you have trouble distinguishing between the number I and the letter I in your passport number, please check the machine-readable code.

When you fill in the NAME section in FORM, please refer to the order of each component of your name shown in the Machine-Readable Zone of your passport.
